INDEPENDENT AUDITOR'S REPORT

Board of Directors and Members  
The ALS Association, Orange County Chapter

**Report on the Financial Statements**

I have audited the accompanying financial statements of The ALS Association, Orange County Chapter, which comprise the balance sheet as of January 31, 2014, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

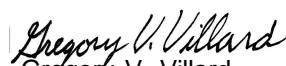

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The ALS Association, Orange County Chapter as of January 31, 2014, and the changes in net assets, cash flows, and functional expenses for the year then ended in conformity with accounting principles generally accepted in the United States of America.

THE ALS ASSOCIATION, ORANGE COUNTY CHAPTER  
NOTES TO FINANCIAL STATEMENTS  
JANUARY 31, 2014

NOTE 1. NATURE OF ORGANIZATION

The ALS (Amyotrophic Lateral Sclerosis) Association, Orange County Chapter, (the Chapter), is a nonprofit corporation, formed August 26, 1987, with the primary goal of enhancing the quality of life for patients and their families when they have been diagnosed with Amyotrophic Lateral Sclerosis (ALS). A system of Chapter provided programs begins with assisting families to locate resources and to navigate the maze of insurance and Social Security. A Patient Services Coordinator and a RN-Case Manager support this process, including home visits to evaluate and assist with special needs. The Chapter provides medical equipment such as, but not limited to, hospital beds and wheelchairs. Patients unable to speak are supported through devices and specially equipped computers, and are trained to use the software and devices. The Chapter maintains a lending library of pertinent information for families, conducts monthly support groups, and operates a patient helpline. Programs are in place to assist children of patients dealing with ALS, as well as a respite care program providing relief for caregivers of ALS patients. A newsletter is published with information the latest research and local Chapter events.

The Chapter has been instrumental in the purchase and placement of "Surf and Sand Chairs" at Southern California beaches, enabling individuals with disabilities to enjoy the beach. The Chapter promotes patient advocacy by conducting public awareness and education programs, including an annual symposium. In addition to providing various programs to improve and maintain the life quality for ALS patients and their families, the Chapter is dedicated to supporting the National ALS Association's research efforts to find the cause, treatments, and ultimately, a cure for ALS.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

The Chapter utilizes the accrual method of accounting for financial statement presentation, in accordance with accounting principles generally accepted in the United States of America.

Other Revenue Recognition

Revenue from donations, bequests, fund raisers, etc. are available for general use unless specifically restricted by the donor.

Donated Services

A number of businesses and unpaid volunteers have made significant contributions of time to the Chapter's fundraising and operations. Contributed services are recorded at fair value at the date of donation only if the services (a) create or enhance nonfinancial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. During the year, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Basis of Presentation

Financial Statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Chapter is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, restricted, and permanently restricted net assets.

THE ALS ASSOCIATION, ORANGE COUNTY CHAPTER  
NOTES TO FINANCIAL STATEMENTS  
JANUARY 31, 2014

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted Support and Net Assets

The Chapter reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are satisfied within the same reporting period, are reported as unrestricted support in the period.

Grant Receivables and Revenues

Grant revenues earned, but not received, are recorded as a receivable, and grant funds received before the revenue recognition criteria have been met are reported as refundable advances. Grant expenditures are recorded when the liability is incurred.

No allowance for uncollectable accounts has been established since, in management's opinion, they are all collectable.

Investments

Investments in all debt securities and equity securities with readily determinable market values are recorded at fair market values in the Statement of Financial Position. Realized and unrealized gains and losses are included in the accompanying Statement of Activities and Changes in Net Assets. Fair market value is determined from quoted market prices.

Property and Equipment

Office furniture, equipment, and vehicles have been recorded at cost if purchased or at fair market value at the time of donation. Depreciation is provided over the estimated useful lives of the respective depreciable assets on a straight-line basis.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Chapter considers all highly liquid investments available for current use with initial maturity of three months or less to be cash equivalents.

Income Tax Status

The Chapter has qualified for tax-exempt status under Internal Revenue Code Section 501(c)(3) and California Revenue Code Section 23701(d). The Chapter has also been classified by the Internal Revenue Service as an entity that is not a private foundation within the meaning of Section 170(c)(2). Income for certain activities not directly related to the Chapter's tax-exempt purpose is subject to taxation as unrelated business income. No provision for income taxes has been made in the accompanying financial statements, however, since there is no unrelated business activity.

THE ALS ASSOCIATION, ORANGE COUNTY CHAPTER  
NOTES TO FINANCIAL STATEMENTS  
JANUARY 31, 2014

The Chapter recognizes the financial statement benefit of tax positions, such as its income tax exempt filing status, only after determining that the relevant tax authority would more likely than not sustain the position following an audit. The Chapter is subject to potential income tax audits on open tax years by any taxing jurisdiction in which it operates. The statute of limitations for federal and California purposes is generally three and four years, respectively.

Allocation of Functional Expenses

The costs of providing the various programs have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

In addition, donations of \$37,504 were received for patient care services and were spent during the year and therefore released from restriction.

NOTE 9. OPERATING LEASE

The Chapter entered into a three-year lease to rent office space in Santa Ana, California from an unrelated party. The lease commenced on January 1, 2012 and will expire on December 31, 2014. Terms of the lease call for initial rental payments of \$2,000 per month.

The future minimum lease payments for the next three years are as follows:

<u>Year ended January 31,</u>	
2015	\$ 22,000

Rent expense for the office space for the year ended January 31, 2014 was \$24,000.

NOTE 10. FAIR VALUE MEASUREMENTS

Fair values are measured along the following criteria:

- Level 1 input: Quoted prices in active markets for identical assets
- Level 2 input: Significant observable inputs
- Level 3 input: Significant unobservable inputs

The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

- Cash and cash equivalents: The carrying amount approximates fair value because of the short maturities.
- Certificates of deposit: The fair value of certificates of deposit is determined based on quoted market prices.

Fair values of the Association's financial instruments at December 31, 2013 are as follows, and all values are classified as Level 1 inputs:

	<u>Carrying Amount</u>	<u>Fair Value</u>
Financial Assets:		
Cash and Cash Equivalents	\$119,490	\$119,490

NOTE 11. DATE OF MANAGEMENT'S REVIEW

In preparing the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through September 15, 2014, the date that the financial statements were available to be issued.
