INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Orange County Family Justice
Center Foundation

We have audited the accompanying financial statements of **Orange County Family Justice Center Foundation**, which comprise of the statement of financial positions as of June 30, 2013, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Orange County Family Justice Center Foundation, as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Year Ended June 30, 2013

1. NATURE OF ORGANIZATION

Orange County Family Justice Center Foundation, a California Nonprofit Corporation, (the Organization), is a nonprofit corporation organized on April 4, 2006, under the laws of the State of California. The specific purpose of the Organization is to provide direct victim assistance and empowerment and prevention resources. The Organization serves victims and families whose lives have been impacted by domestic violence, child abuse, elder abuse and sexual assault.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Revenues are reported as increases in unrestricted net assets and expenses as decreases in unrestricted net assets.

Net Assets - None of the Organization's net assets are subject to donor-imposed stipulations and may be expendable for any purpose in performing the primary objectives of the Organization, and are accordingly accounted for as unrestricted net assets.

Support and Revenue - The Organization receives donations from public and private foundations, fundraising events and other sources and recognizes these revenues when earned.

Contributions - Contributions are recognized when received and when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized.

Accounts Receivable - The Organization considers its accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Cash and Cash Equivalents - For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with initial maturities of three months or less to be cash equivalents.

Property and Equipment - Property and equipment are recorded at cost or at estimated fair value at the date of gift. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Depreciation is provided on a straight-line basis in amounts sufficient to amortize the cost of the assets over their estimated useful lives of five to seven years.

The Organization capitalizes all expenditures for property, furniture and equipment in excess of \$1,000.

Depreciation expense for the year ended June 30, 2013 amounted to \$1,209.

**ORANGE COUNTY FAMILY JUSTICE
CENTER FOUNDATION
NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2013

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Income Taxes - The Organization is exempt from federal and state income taxes under Section 501(c) (3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. Accordingly, no provision for income taxes is included in the financial statements. In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code.

The Organization's federal and state income tax returns are subject to possible examination by the taxing authorities until the expiration of the related statutes of limitations on those tax returns. In general, the federal income tax returns have a three year statute of limitations, and the state income tax returns have a four year statute of limitations.

The Organization evaluates all significant tax positions. As of June 30, 2013, the Organization does not believe that it has taken any positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next year. It is the Organization's policy to recognize any interest and penalties in the year incurred. There was no interest or penalties incurred in 2013.

Functional Allocation of Expenses - The cost of providing the various projects and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the various projects and the supporting services benefited.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurement - In accordance with U.S. GAAP, valuation techniques are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs are internally derived, reflecting what the reporting entity believes to be market assumptions. U.S. GAAP classifies these inputs into the following hierarchy:

- Level One Inputs – Quoted prices for identical instruments in active market.
- Level Two Inputs – Quoted prices for identical instruments in active market; quoted prices for identical or similar instruments in markets that are not active; and model derived valuations whose inputs are observable or whose significant value drivers are observable.
- Level Three Inputs – Instruments with primarily unobservable value drivers.

In adopting the fair value measurement in accordance with U.S. GAAP, related disclosures are segregated for assets and liabilities measured at fair value based on the level used within the hierarchy to determine their fair values. These standards do not have any financial impact on the Organization's financial statements.

3. SUBSEQUENT EVENTS

The Organization has evaluated events and transactions occurring subsequent to the statement of financial position date of June 30, 2013, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through November 6, 2013, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred.
