CAMPS

Teen Leadership Camp is a 3-day weekend experience designed for youth to participate in activities such as high ropes, low ropes and zip lining that lead to confidence, trust, and self-esteem. Evening guest speakers promote positive values and develop character.

THE KNOT

The Knot is a monthly youth group designed to bring community mentoring after summer camps. Sports, crafts, fun, games and food are all part of a consistent afternoon. The Knot is an environment for youth to meet positive, patient and caring adults while being reminded that life is better tied together.

THE LAUNCH PAD

The Launch Pad provides a safe runway for young adults ages 18-24 who are "aged out" of foster care or at risk of homelessness. At The Launch Pad a multitude of services and support are offered.

1:1 MENTORING

1:1 Mentoring supports teenagers or emancipated youth in one-on-one relationships. By becoming a mentor you create a strong voice and provide a consistently stable adult figure to a youth living a life of neglect and abandonment.

THE NETWORK

The Network is a monthly workshop that brings added value into the lives of teenagers and emancipated youth. Workshops focus on education, employment, and other life skills. The Network connects people and skills together.
