## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Boys & Girls Club of Anaheim, Inc.  
Anaheim, California

We have audited the accompanying financial statements of Boys & Girls Club of Anaheim, Inc. (a non-profit organization), which comprise the statement of financial position as of December 31, 2012 and 2011, and the related statements of activities, functional expenses, and cash flows for the years then ended, and related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys & Girls Club of Anaheim, Inc. as of December 31, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Report Issued in Accordance with Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated July 2, 2013 on our consideration of Boys & Girls Club of Anaheim, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

BOYS & GIRLS CLUB OF ANAHEIM, INC.

**NOTES TO THE FINANCIAL STATEMENTS**

December 31, 2012

**NOTE 1: ORGANIZATION AND NATURE OF SERVICES**

The Boys and Girls Clubs of Anaheim, Inc. (the “Club”) is a non-profit corporation operating in Orange County, California. The Organization was incorporated on May 30, 1989 to provide school-age children and young adults between the ages of 6 to 18 low cost educational and recreational programs after school and throughout summers and holidays. As of December 31, 2012 there were five centers operating in the Anaheim City area.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements are presented on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Boys & Girls Club of Anaheim, Inc. reports financial information regarding its financial position and activities according to three classes of assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no temporarily or permanently restricted net assets at December 31, 2012 and 2011.

**Donated Services and Materials**

Donated materials have been included in the accompanying financial statements where estimates of market value were available to measure the value of such materials. Donated services are recognized when a nonfinancial asset is created or specialized skills are required and the Club would otherwise need to purchase the services. In addition a substantial number of volunteers have donated their time to the Club. The value of this time and related expense has not been included in the accompanying financial statements except to the extent such services meet the criteria set forth above.

**Cash Equivalents**

For purposes of the statement of cash flows, the Club considers all cash and other highly liquid investments with maturities of six months or less to be cash equivalents.

BOYS & GIRLS CLUB OF ANAHEIM, INC.

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2012

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Concentration of Credit Risk**

The Club has cash balances in a bank that at times may be in excess of the Federal Deposit Insurance Corporation's (FDIC) insurance limit. The Club has not incurred losses related to carrying cash balances in excess of the FDIC insurance limit and maintains its cash with high quality financial institutions which the Club believes limits these risks.

**Investments Securities**

Investments in marketable securities which are available for sale are carried in the financial statements at fair value. Realized and unrealized gains and losses are included in the Statement of Activities.

**Accounts Receivable**

Accounts receivables of \$59,434 at December 31, 2012 and \$153,216 at December 31, 2011 are all receivable in one year or less and in the opinion of management are fully collectable. Therefore, no allowance for doubtful accounts has been provided.

**Property and Equipment**

Property and equipment purchased by the Club are carried at cost. Major renewals and betterments are capitalized. Maintenance, repairs and minor renewals are expensed as incurred. When properties are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts and gains or losses are credited or charged to income.

Contributed property and equipment are reported as support and carried at fair value at the time of donation. Assets donated with restrictions regarding their use and contributions of cash that must be used for property or equipment are reported as restricted support. Absent donor stipulations regarding how long their donated assets must be maintained, the Club reports expirations of restrictions when the donated or acquired assets are placed into service.

Depreciation is recorded on the straight-line basis over the estimated useful lives of the related assets.

BOYS & GIRLS CLUB OF ANAHEIM, INC.

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2012

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Income Taxes**

The Club is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and section 23701(d) of the California Revenue Taxation code. No provision for income tax liability is therefore required.

**Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Club that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When the restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Club uses the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience, management's analysis of specific promises made and other receivable collections.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Expense Allocation**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs services, supporting services and fund raising benefited.

**Subsequent Events**

Management has evaluated subsequent events through July 2, 2013, the date which the financial statements were available for issue.

Total marketable securities	<u>\$ 530,556</u>	<u>\$ 25,290</u>	<u>\$ 6,531</u>	<u>\$ 549,315</u>

As described in Note 2, these investments are included in the accompanying statement of financial position at fair value and the unrealized gains or losses are reported in the statement of activities. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. Investments in marketable securities are considered to have the highest “Level 1” priority and are valued at quoted prices in active markets for identical assets. Investments using observable inputs other than quoted prices for identical assets are classified as “Level 2” measurement. Assets valued using unobservable data represent “Level 3” valuations. The Club’s investments are all considered Level 1.

The fair value and measurement level of marketable debt and equity securities at December 31, 2012 and 2011 are as follows:

<u>December 31, 2012</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Quoted Prices for Similar Assets or Unobservable Data (Level 2 or 3)</u>

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING  
STANDARDS**

For the Year Ended December 31, 2012

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING  
STANDARDS**

To the Board of Directors  
Boys and Girls Clubs of Anaheim, Inc.  
Anaheim, CA

We have audited the financial statements of the Boys and Girls Clubs of Anaheim, Inc. (a California non-profit corporation) as of and for the year ended December 31, 2012 and have issued our report thereon dated July 2, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected or corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weakness. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurances about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors, management within the Organization, and the federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
