

## The Reality

A report of child abuse is made every **10** seconds

**5** children die every day from abuse and neglect

**33%** of reported child abuse cases involve children under age 5

## How We Prevent Child Abuse

### Strengthen Families & Communities

#### Prevention

- **Family Resource Centers**  
Family friendly, community-based collaboratives with the capacity to provide on-site access to comprehensive prevention and treatment services
- **Focus on Families with children birth to five years**  
Child development, parent education, home visitation, healthy eating, infant health, parents' and children's support groups
- **Other Family Support**  
Address the specific needs of fathers, relative caregivers, childcare, youth after school, linkage to referrals and information

#### Mental Health Services

Targets young children, adolescents and their families with the goal of eliminating psychiatric conditions that impair the child's functioning

- **Individual and Family Therapy, Parent Education via Outpatient Services, Wraparound and Day Treatment Program**

#### Family Foster Care & Adoptions

- **Foster Care and Foster-Adopt**
- **Private Adoption Home Study Program**
- **Resource Parent Recruitment and Training**
