INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of
El Viento Foundation
Huntington Beach, California

We have reviewed the accompanying financial statements of El Viento Foundation (a nonprofit organization) (the "Foundation"), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

El Viento Foundation (the “Foundation”) is a nonprofit public benefit corporation that was incorporated in the state of California in 2000 for the purpose of providing children and young adults a variety of educational and recreational activities to encourage academic success. The Foundation’s program was started under the auspices of the Golden West College Foundation in 1997 and incorporated into its existing status as an independent in accordance with Section 501(c)(3) of the Internal Revenue Code (“IRC”) in 2000.

Basis of Presentation

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions are recognized as revenues in the year received. The net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions as prescribed for not-for-profit organizations by the Financial Accounting Standards Board (“FASB”). Accordingly, the net assets of the Foundation are classified and reported as follows:

- *Unrestricted net assets* - consist of resources that have not been restricted by the donor and represent contributions raised through various fundraising efforts and donated products and merchandise.
- *Temporarily restricted net assets* - consist of resources that were received with donor stipulations that limit use and represent contributions given specifically by the donor.
- *Permanently restricted net assets* - consist of donor-imposed stipulations that are to be maintained permanently by the Foundation. Generally, the donors of such assets permit the Foundation to use all or part of the income earned on the assets.

Cash and Cash Equivalents

For purposes of reporting cash flows, cash and cash equivalents include petty cash funds, bank checking accounts used for operating purposes, and investments with maturities of three months or less from the original purchase date.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 1: Nature of Operations and Summary of Significant Accounting Policies (Continued)

Support and Revenue

The Foundation receives grants and contributions from corporations, foundations, and individuals. The grants are recognized on an accrual basis based on funding provided through the term of the individual contracts, as specified by the grantor or donor.

Donated Services and Materials

A substantial number of volunteers have donated significant amounts of time in the operation of the Foundation. Consulting, professional fundraising, and information technology services meet the criteria of FASB Accounting Standards Codification (“ASC”) 958-605, “*Accounting for Contributions Received*”, and have been recognized in the accompanying statement of activities as revenue and a corresponding expense. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Foundation that do not meet the requirements to be recognized for financial statement purposes. Donated materials and assets are recorded at fair market value at the date of the gift.

Fixed Assets

Fixed assets are stated at cost if purchased or fair value if donated, less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from five years for computer equipment to seven years for furniture and fixtures. At June 30, 2016, depreciation expense totaled \$1,616.

Income Taxes

The Foundation is recognized as a tax-exempt foundation under Section 501(c)(3) of the IRC and the corresponding state code. Accordingly, there is no provision for income taxes in the accompanying financial statements. In addition, the Foundation has been classified as an entity that is not a private foundation within the meaning of IRC Section 509(a) and qualifies for deductible contributions as provided in Section 170 (b)(1)(A)(vi) of the IRC.

The Foundation adopted the provisions of FASB ASC 740-10-25 (formerly FASB Interpretation No. 48, “*Accounting for Uncertainty in Income Taxes*”). In accordance with ASC 740-10, an organization must recognize the tax benefit associated with tax taken for tax return purposes when it is more likely than not the position will be sustained. The implementation of ASC 740-10 had no impact on the Foundation’s financial statements. The Foundation does not believe there are any material uncertain tax positions, and accordingly, it has not recognized any liability for unrecognized tax benefits or any related interest or penalties.

The Foundation’s tax returns from 2013 to 2015 are open to review for federal income tax purposes and tax returns from 2012 to 2015 are open to review for state income tax purposes.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 1: Nature of Operations and Summary of Significant Accounting Policies (Continued)

Advertising Costs

Advertising costs are charged to general and administrative and fundraising expenses when incurred. Advertising costs charged to these services for the year ended June 30, 2016, totaled \$52,688.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Actual results may differ from estimated amounts.

Investments

The Foundation records equity securities with readily determinable fair values, and all investments in debt securities, in accordance with FASB ASC 958-320 and subsections (formerly Statement of Financial Accounting Standards No. 124, "*Accounting for Certain Investments Held by Not-for-Profit Foundations*"). This standard requires these types of investments to be reported at fair value, with gains and losses included in the statement of activities.

Investment Valuation and Income Recognition

The Foundation's investments are stated at fair value at June 30, 2016. Realized and unrealized gains and losses are reflected in the accompanying statements of activities as loss on investments. Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains and/or losses are reported the day after the trade date.

The fair value of fixed income investments is based on quoted prices in active markets for identical assets or if there are no such active markets the fixed income investments are valued using quoted prices for similar assets or quoted prices in markets that are not active. Fixed income mutual funds, domestic equity securities and mutual funds that hold equity securities are based on quoted prices in active markets for identical assets.

Alternative investments include hedge funds, private equity, interests in closely-held entities and real estate funds. The fair value of the hedge funds, private equity and real estate funds is based on the net asset value of the fund. The fair value of interests in closely-held entities is based on appraisals and management's review and assessment of current financial statements.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 1: Nature of Operations and Summary of Significant Accounting Policies (Continued)

New Pronouncements

In August 2016, the FASB issued Accounting Standards Update (“ASU”) 2016-14, “*Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*”. This is the culmination of Phase 1 of a project that makes significant changes to not-for-profit financial reporting requirements that have been in place since 1993 (FASB Statement of Accounting Standards Nos. 116 and 117). The update aims to improve how a not-for-profit organization classifies its net assets and improves information in its financial statements and notes about its financial performance, cash flow, and liquidity. With limited exceptions for certain disclosures, the new guidance is required to be applied on a retrospective basis for all years reported. The new guidance will be effective for annual financial statements for fiscal years beginning after December 15, 2017, and for interim periods with fiscal years beginning after December 15, 2018. Early adoption is permitted. The Foundation is currently evaluating the impact of the provisions of ASU 2016-14 on the presentation of its financial statements.

Note 2: Concentrations, Risks, and Uncertainties

The Foundation maintains cash balances at a financial institution. At June 30, 2016, accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2016, the Foundation had no balances in excess of federally insured limits.

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of cash deposits at a brokerage firm. Balances are insured up to \$500,000, with a limit of \$100,000 for cash, by the Securities Investor Protection Corporation (“SPIC”). At June 30, 2016, the Foundation had no balances in excess of SPIC insured limits.

The Foundation’s endowment fund investments maintained by the foundation mentioned in Note 5 are not insured. The uninsured balance was \$436,831 as of June 30, 2016.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 3: Donated Services, Donated Goods, and Facilities

The estimated fair market value of donated services and facilities included in the financial statements for the year ended June 30, 2016, is as follows:

| | | |
|----------------------------|----|---------------|
| Support: | | |
| Donated rent | \$ | 41,400 |
| Donated services | | 4,057 |
| Donated supplies | | <u>2,500</u> |
| Total | \$ | <u>47,957</u> |
| Expenses: | | |
| General and administrative | \$ | 41,900 |
| Program | | <u>6,057</u> |
| Total | \$ | <u>47,957</u> |

Note 4: Fixed Assets

At June 30, 2016, fixed assets consist of the following:

| | | |
|---------------------------------|----|----------------|
| Computer equipment | \$ | 10,723 |
| Furniture and fixtures | | <u>7,659</u> |
| Total fixed assets, at cost | | 18,382 |
| Less: Accumulated depreciation | | <u>(2,933)</u> |
| Fixed Assets, at Net Book Value | \$ | <u>15,449</u> |

Note 5: Endowment Funds

The Foundation's endowment funds are made up of two funds established for a variety of purposes. Its endowment includes both donor-restricted funds and unrestricted investment funds designated by the Board of Directors to be included in the endowment fund. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including unrestricted investment funds designated by the Board of Directors to be included in the endowment funds, are classified and reported based on existence or absence of donor-imposed restrictions.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 5: Endowment Funds (Continued)

Through December 31, 2007, the Foundation's management and investment of donor-restricted endowment funds were subject to the provision of the Uniform Management of Institutional Funds Act ("UMIFA"). In 2006, the Uniform Law Commission approved the model act, the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), which serves as a guideline for states to use in enacting legislation. Among UPMIFA's most significant changes is the elimination of UMIFA's important concept of historic dollar value threshold, the amount below which a foundation could not spend from the donor-restricted endowment fund, in favor of a more robust set of guidelines about what constitutes prudent spending.

In 2008, the State of California enacted UPMIFA, the provisions of which apply to endowment funds existing on or established after that date. Based on its interpretation of the provisions of UPMIFA, the Foundation is required to act prudently when making decisions to spend or accumulate donor-restricted endowment assets and in doing so to consider a number of factors including the duration and preservation of its donor-restricted endowment funds. As a result of this interpretation, the Foundation classifies the original value of gifts with donor-imposed restrictions as permanently restricted net assets, with such funds retained as a permanent endowment.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

The Foundation was named as a beneficiary of the El Viento Endowment Fund, established in August 2001. The Foundation's investments are governed by a written investment policy of the Orange County Community Foundation (the "OCCF"), the principal objective of which is to make investments in a thoughtful and prudent manner so as to preserve and enhance the Foundation's ability to provide for the benefits of students. The El Viento Board of Directors has outsourced the management of the El Viento Endowment Fund to the OCCF. The Finance Committee of the El Viento Board of Directors approves the investment policy of the OCCF and reviews the quarterly statements provided by the OCCF.

The oversight of the investment portfolio is the responsibility of the OCCF Investment Committee whose members are appointed by and serve the OCCF Board of Directors. It is also the responsibility of the OCCF Investment Committee to administer the investment portfolio in compliance with all written policies approved by the OCCF Board of Directors. Annual distributions are subject to the policies of the OCCF, which limit them to a maximum of five percent of the rolling average of the total account balance over the prior 12 months.

Accordingly, the Foundation records an asset titled "Beneficial interest in foundation endowment", which is equivalent to the present value of the expected future cash flows from the endowment.

**EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016**

Note 5: Endowment Funds (Continued)

The OCCF Investment Committee has contracted with an independent trust foundation for the purpose of managing the investment and reinvestment of fund assets in a manner consistent with the overall investment policy as approved by the OCCF Board of Directors.

The Foundation's investment objectives are determined by the OCCF to:

- Preserve the investment portfolio's corpus over the long term.
- Ensure the investment portfolio's long-term ability to distribute income.
- Ensure that restricted donations are protected so that they are available for the target use.

In achieving the objectives, the Foundation's primary investment mission is to preserve principal and purchasing power in real dollar terms over time while supporting current income requirements.

The following is the endowment net asset composition by type of fund as of June 30, 2016:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Total</u> |
|-------------------------------------|---------------------|-----------------------------------|-----------------------------------|-------------------|
| Donor-Restricted Endowment Funds | \$ - | \$ - | \$ 177,106 | \$ 177,106 |
| Board-Designated Endowment Funds | <u>259,725</u> | <u>-</u> | <u>-</u> | <u>259,725</u> |
| Total Funds | <u>\$ 259,725</u> | <u>\$ -</u> | <u>\$ 177,106</u> | <u>\$ 436,831</u> |

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 5: Endowment Funds (Continued)

The following are the changes in the endowment net assets for the year ended June 30, 2016:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Total</u> |
|--|---------------------|-----------------------------------|-----------------------------------|-------------------|
| Endowment Net Assets, Beginning of Year | \$ 264,734 | \$ 500 | \$ 177,106 | \$ 442,340 |
| Contributions | 504 | - | - | 504 |
| Investment Return: | | | | |
| Investment income | 3,848 | - | - | 3,848 |
| Unrealized loss | <u>(3,784)</u> | <u>-</u> | <u>-</u> | <u>(3,784)</u> |
| Total Investment Return | <u>64</u> | <u>-</u> | <u>-</u> | <u>64</u> |
| Amount Appropriated for Expenditure | <u>(5,577)</u> | <u>(500)</u> | <u>-</u> | <u>(6,077)</u> |
| Endowment Net Assets, End of Year | <u>\$ 259,725</u> | <u>\$ -</u> | <u>\$ 177,106</u> | <u>\$ 436,831</u> |

Note 6: Fair Value Measurements

The Foundation adopted FASB ASC 820, “*Fair Value Measurements and Disclosures*”. FASB ASC 820-10 defines fair value, establishes a framework for measuring fair value, and requires enhanced disclosures about fair value measurement.

FASB ASC 820 establishes a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs in the valuation of an asset as of the measurement date. The three levels are defined as follows:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3: Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Fair value is a market-based measurement considered from the perspective of a market participant rather than an entity-specific measurement. Therefore, even when market assumptions are not readily available, the Foundation’s own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date.

EL VIENTO FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2016

Note 6: Fair Value Measurements (Continued)

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

At June 30, 2016, the Organization held investments in the Long-term Investment Pool of OCCF which included a portfolio of common stocks, bonds, mutual funds, alternative investments, and cash equivalents. Alternative investments are composed of hedge funds, private equities, interests in closely held entities, and real estate funds.

A description of the valuation methodologies used for assets measured at fair value is disclosed in Note 1. There have been no changes in the methodologies used during the year ended June 30, 2016.

The fair value of the hedge funds, private equities, and real estate funds is based on the net asset value of the fund and the Foundation's shares/ownership interest in the respective fund. Net asset values are evaluated by the OCCF to determine if the values of these investments should be adjusted. Factors considered may include, but are not limited to, estimates of liquidation value, prices of recent transactions in the same or similar funds, current performance, future expectations of the particular investment, and changes in market outlook and the financing environment. The fair value of interests in closely held entities is based on appraisals and the OCCF's review and assessment of current financial statements. Valuations of alternative investments are reviewed at least twice a year using a variety of qualitative factors to subjectively determine the most appropriate valuation methodologies. The estimated fair values may differ from the values that would have been used had a ready market for these securities existed.

Note 7: Subsequent Events

Events occurring after June 30, 2016, have been evaluated for possible adjustment to the financial statements or disclosure as of November 29, 2016, which is the date the financial statements were available to be issued.
