REPORT OF INDEPENDENT AUDITORS

Board of Directors
Young Men's Christian Association of Anaheim
Anaheim, California

Report on Financial Statements

We have audited the accompanying financial statements of YMCA of Anaheim (a nonprofit organization) which are comprised of the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. The prior year summarized information was derived from the Association's 2014 financial statements. In our report dated November 13, 2014, we expressed an unqualified opinion on those prior year financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and with *Government Auditing Standards*, issued by the U.S. Comptroller General. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of YMCA of Anaheim as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements or to financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report, dated November 2, 2015, on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF ANAHEIM

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND OTHER MATTERS

The YMCA of Anaheim is a nonprofit corporation established in 1911, whose mission is to build and sustain strong kids, strong families and strong communities by putting Christian principles into practice through programs that build healthy spirit, mind and body for all. The Anaheim YMCA is for Youth Development, Healthy Living, and Social Responsibility. From infants to active older adults, the Anaheim YMCA impacts people of all ages through a variety of character-building programs in over 50 program locations. The Association is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23401 of the California Tax Code.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect assets and liabilities at the reporting date and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurements

Generally accepted accounting principles (GAAP) provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs – quoted prices in active markets for identical assets

Level 2 inputs – quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs – estimates using the best information available when there is little or no market

The Association is required to measure certain investments and related revenues at fair value. The technique used to measure fair value for investments is described in Note 7 below.

Cash Equivalents

For purposes of the statement of cash flows, the Association considers all temporary cash investments with original maturities of three months or less to be cash equivalents.

The City of Anaheim requires that the Association maintain a separate bank account for major component replacement funds. An offsetting liability is carried to reflect the obligation.

Property and Equipment and Depreciation

Property and equipment are reported at cost or donated value and are depreciated by the straight-line method over estimated useful lives ranging between 3 and 39 years. The Association's policy is to capitalize equipment additions with a cost in excess of \$2,000.

Property and equipment acquired with CDE funds are owned by the Association while used in CDE programs and as long as the Association has CDE contracts. CDE has a reversionary interest in such assets and title may revert to CDE should the contracts be cancelled.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF ANAHEIM

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Expense Reporting

The costs of the Association's activities have been summarized on a functional basis in these financial statements. Based on management estimates, costs have been allocated between programs and supporting services as they relate to those functions.

Income Taxes

The Association is exempt from income tax liability under Section 501(c)(3) of the Internal Revenue Code and Section 23401 of the California Tax Code. Since the Association is exempt from federal and state tax liability, no provision is made for current or deferred income taxes. The Association uses the same accounting methods for tax and financial reporting.

GAAP provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Association in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Association's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

Accounting for Contributions

Unrestricted contributions are recognized as an increase in unrestricted net assets when received. Contributions restricted by the donor are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the donor-imposed restriction. When a restriction is satisfied, either by the passage of time or by accomplishing the purpose, the temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions. When restrictions on contributions are satisfied in the same period as the receipt of the contribution, the Association reports both the revenue and the related expense in the unrestricted net asset class.

Designation of Unrestricted Net Assets

It is the policy of the Board of Directors of the Association to review its plans for future funding from time to time and to designate appropriated sums of unrestricted net assets to assure adequate financing of program costs, administrative costs, and repair and maintenance costs. Use of these funds requires a majority vote of the directors present at a meeting at which a quorum is present.

Prior Year Information

The financial statements include certain summarized comparative information from the prior year. This information is presented in total and not by net asset class and does not include sufficient detail to be in conformity with generally accepted accounting principles. Such information should be read together with the Association's financial statements for the year ended June 30, 2014, from which the summarized information was extracted. Certain amounts in the prior year financial statements have been reclassified for comparison purposes to conform to the current year presentation.

Subsequent Events

Management has evaluated subsequent events through November 2, 2015, the date when the financial statements were available for issuance.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF ANAHEIM

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Services and Materials

Some Association members have donated significant amounts of time in the advancement of its programs and objectives. No amounts have been included in the financial statements for such donated member or volunteer services since no objective basis is available to measure the value of these services.

NOTE 3 – CONCENTRATIONS

The Association received approximately 50% of its 2015 funding and 58% of its 2014 funding from the After School Education and Safety (ASES) program. This program is funded by the California Department of Education and passed through Anaheim City School District, Magnolia School District, Savanna School District, and the Anaheim Union High School District.

NOTE 9 – PENSION PLAN

The Association has a defined contribution pension plan through the YMCA Retirement Fund, administered by YMCA of the USA, covering employees who are 21 years of age with at least two years of service and 1,000 hours in each year. Plan contributions include employer matching contributions and voluntary employee contributions. In the reporting period, the Association contributed 7% of eligible salaries, which amounted to \$253,615 in 2015 and \$239,053 in 2014.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF ANAHEIM
NOTES TO FINANCIAL STATEMENTS

NOTE 10 – RELATED PARTY TRANSACTION

The Association has a conflict-of-interest policy that governs transactions with related parties. Management may engage in such transactions when they are at least equivalent to similar transactions with an unrelated party. During the reporting periods, the Association engaged in several transactions with companies related to Board members and conducted those transactions in accordance with this policy.

NOTE 11 – NOTES PAYABLE

Notes payable consist of the following obligations:

A note due to California Bank & Trust, secured by building and land, with monthly payments of \$3,546, interest at 5.2%, maturing in December 2027.	\$ 387,948

NOTES TO FINANCIAL STATEMENTS

NOTE 14 – ENDOWMENT AND RESTRICTED NET ASSETS

In accordance with California state law (UPMIFA), the Association has classified as permanently restricted the fair value of donations restricted by donors to be held as endowments in perpetuity. The finance committee has interpreted the state law as requiring preservation of the fair value of the original endowment gift, as of the gift date, unless there are explicit donor stipulations to the contrary. As a result of this interpretation, the Association classifies as permanently restricted the original value of gifts made to the permanent endowment.

Any unappropriated earnings of the permanently restricted endowment fund are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Association. The Association is currently reinvesting any interest and dividends back into the Endowment fund to promote long term growth.

From time to time, the fair values of endowment assets may, due to unfavorable market fluctuations, fall below the level that donors required to be retained as a fund of perpetual duration. In accordance with generally accepted accounting principles, declines of this nature are reported as losses in unrestricted net assets. As values recover, the increases are reported as unrestricted gains. At the reporting date, the Association had no such declines in values.

The Association has adopted an investment policy and spending guidelines for endowment assets to provide a predictable stream of revenues for operating activities and to preserve the purchasing power of the endowment assets. Under these policies, endowment assets are invested to produce a return that is expected to meet or exceed the rate of inflation as measured by the Consumer Price Index. Actual results during any period may vary from these expectations. The Association relies on a total return strategy which allows the earnings objective to be achieved through both capital appreciation and current yield. This strategy involves a diversified asset allocation that provides a balance among equity investments.

Endowment composition by type of fund as of June 30, 2015 is as follows:

	<u>Unrestricted</u>	Temporarily <u>Restricted</u>	Permanently <u>Restricted</u>	<u>Total</u>

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Young Men's Christian Association of Anaheim
Anaheim, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of YMCA of Anaheim as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Association's financial statements, and have issued our report thereon dated November 2, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Association's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY OMB CIRCULAR A-133**

Board of Directors
Young Men's Christian Association of Anaheim
Anaheim, California

Report on Compliance for Each Major Federal Program

We have audited YMCA of Anaheim's compliance with the types of compliance requirements described in the OMB *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Association's major federal programs for the year ended June 30, 2015. The Association's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Association's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the U.S. Comptroller General; and OMB Circular A-133, *Audits of State and Local Governments and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Association's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Association's compliance.

Opinion on Each Major Federal Program

In our opinion, the Association complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control over Compliance

The Association's management is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Association's internal control over compliance with types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that a material noncompliance with a type of compliance required of a federal program will not be prevented or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
