INDEPENDENT AUDITORS' REPORT

The Boards of Directors of the
Boys and Girls Club of Santa Ana

Santa Ana, California

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Boys and Girls Club of Santa Ana and Boys and Girls Club of Santa Ana Foundation (the Organization) as of June 30, 2015, which comprise the consolidated statement of financial position as of June 30, 2015, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Club of Santa Ana and Boys and Girls Club of Santa Ana Foundation as of June 30, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

AND BOYS AND GIRLS CLUB OF SANTA ANA FOUNDATION
Notes to Consolidated Financial Statements
June 30, 2015**

(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Nature of Organization

The Boys and Girls Club of Santa Ana (the Club) is a not-for-profit organization whose purpose is to promote the social, educational, vocational, health, character development and guidance of boys and girls ages 6 through 18. Since 1954, the Club has been dedicated to the prevention of juvenile delinquency. The Club offers activities in the areas of physical education, leadership training, group clubs, special events, social education, library, arts and crafts, camping, field trips, tutoring/computer instruction, game rooms and aquatics. All programs emphasize self-worth and positive personal growth.

The Boys and Girls Club of Santa Ana Foundation (the Foundation) is a not-for-profit public benefit corporation in which the Club has a controlling economic interest. The Foundation was incorporated in the State of California in December 1994, for the purpose of receiving, holding, investing, disposing of, or otherwise administering property, bequests, and endowments and to make expenditures to or for the benefit of the Club. The Foundation was created and funded by a vote of the Board of Directors of the Club and, as required by the Foundation's by-laws, consists of a majority of individuals who are themselves members of the Board of Directors of the Club.

The Club and the Foundation (together, the Organization) use the following significant accounting policies:

(b) Basis of Accounting

The accompanying financial statements of the Club and the Foundation and the consolidated financial statements of the Organization have been prepared on the accrual basis of accounting. Under this method of accounting, revenues are recognized when earned and expenses are recognized when incurred.

(c) Principles of Consolidation

The accompanying consolidated financial statements are presented in conformity with accounting principles generally accepted in the United States of America. All significant inter-entity transactions and balances have been eliminated.

The activities and financial position of the Foundation for the year ended June 30, 2015, are included in the accompanying consolidated financial statements pursuant to the principles established by accounting principles generally accepted in the United States of America as the members of the Club Board of Directors comprise a majority voting interest in the Foundation Board of Directors.

(d) Financial Statement Presentation

The Organization reports information regarding its consolidated financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

**BOYS AND GIRLS CLUB OF SANTA ANA
AND BOYS AND GIRLS CLUB OF SANTA ANA FOUNDATION**
Notes to Consolidated Financial Statements (Continued)
June 30, 2015

**(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)**

(e) Designation of Unrestricted Net Assets

The Organization designates a portion of its unrestricted net assets into the following major categories:

Building and Equipment – resources identified for specific capital acquisitions, expenditures, and costs of ongoing maintenance of capital assets.

Board-Designated Endowment – resources invested to provide income for operations, capital expenditures, or other specifically identified needs of the Organization.

(f) Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or permanently restricted support, depending on the form of benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

(g) Cash Equivalents and Investments

For purposes of the consolidated statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. This includes a money market mutual fund which is also considered a cash equivalent.

Investments are presented in the consolidated financial statements at fair value. Investments that are donated are recorded at fair value at the date of the donation.

The Organization has adopted the provision of a hierarchy for measuring fair value under accounting principles generally accepted in the United States of America. This standard applies to all financial assets and liabilities that are being measured and reported at fair value on a recurring and non-recurring basis. As permitted, the Organization has not applied the provisions of these standards to non-financial assets and liabilities. Fair value is measured in levels, which are described in more detail in Note 6, and are determined based on the observability and reliability of the assumptions used to determine fair value.

**(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)**

(h) Grants receivable

During 2015, the Organization contracted with school districts, charities and foundations, Boys and Girls Club of America, and the Department of Education for the provision of services within Orange County. Some of the contracts have been written as expense reimbursement grants. These grants are payable upon the submission of specified documentation. An allowance for bad debts has been established based on a percentage of receivables, although management expects collection of the entire receivable.

(i) Unconditional promises to give

Unconditional contributions, including promises to give recorded at estimated fair value, are recognized as revenues when the promise to give is received on a discounted cash flow model. Conditional promises to give are not included as revenue until such time as the conditions are substantially met. A discount rate of 3.00% has been used to calculate the present values of the promises to give. At June 30, 2015, the Organization evaluated the collectability of the promises to give and determined no allowance was necessary. During the year ended June 30, 2015, the Organization collected \$305,000 on existing promises, for a net of \$15,000 remaining as a receivable. See Note 2. Long-term promises to give are due through July 1, 2017.

(j) Land, Building and Equipment

Land, building and equipment are recorded at cost, or estimated fair value at the date of donation, if donated. Depreciation of building and equipment is provided over their estimated useful lives of three to forty years using the straight-line method.

(k) Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(l) Income Taxes

The Organization is exempt from federal and state income taxes under Internal Revenue Code (IRC) Section 501 (c)(3) and Section 23701 of the California Revenue and Taxation Code (CR&TC) and, therefore, has made no provision for income taxes in the accompanying consolidated financial statements. In addition, neither the Club nor the Foundation has been determined by the Internal Revenue Service to be a "private foundation" within the meaning of the IRC Section 509 (a). Further, the Club is a voluntary health and welfare organization, as defined in the IRC Section 170(b)(1)(A), to which contributions are tax deductible.

The Foundation is an organization described in IRC Section 509(a)(3): a supporting organization for a publicly supported organization. Donations to the Foundation are also tax deductible.

**(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)**

(l) Income Taxes (continued)

There was no unrelated business income for the year ended June 30, 2015.

The Organization does not believe its consolidated financial statements include (or reflect) any uncertain tax positions.

(m) Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(n) Donated Materials and Services

Donated materials and services are reflected in the accompanying consolidated financial statements at their estimated market values at the date of receipt. Contributions of services are recognized if the services create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Other volunteer services that do not meet these criteria are not recognized in the consolidated financial statements, as there is no objective basis for deriving their value.

Materials and services valued at \$88,010 were donated to the Club and are included in donated materials and services in the Organization's statement of activities for the year ended June 30, 2015.

(o) Donated Facilities

Donated use of school classrooms and playground facilities for the year ended June 30, 2015, is reflected in the accompanying consolidated financial statements at its estimated fair value of \$154,727.

(p) Concentration of Credit Risk

Financial instruments which potentially subject the Organization to concentrations of credit risk include marketable debt and equity securities. The Organization places its temporary cash investments with creditworthy, high quality financial institutions. At various times throughout the year the balances deposited in the financial institutions have exceeded federally insured limits. Management believes there is a low risk of loss due to cash concentrations.

(4) RETIREMENT PLAN

The Club sponsors a 401(k) Retirement Savings Plan, whereby all employees over 20 years of age that work over 1,000 hours per year, and have completed 12 months of service shall be eligible to enter the plan. Contributions to the Plan by the Club were \$83,805 for the year ended June 30, 2015, and are included in employee benefits expense on the statement of functional expenses.

(5) SPECIAL EVENTS

Gross revenues and expenses for special events associated with the Club's fundraising activities for the year ended June 30, 2015, were as follows:

	<u>Leadership Breakfast</u>	<u>Bruery Reserve Society Event</u>	<u>Gala</u>	<u>Total</u>
Gross revenues	\$ 53,491	\$ 43,000	\$ 313,643	\$ 410,134

(6) INVESTMENTS (continued)

Investment income for the year ended June 30, 2015, which was classified as unrestricted, consisted of the following:

	<u>The Club</u>	<u>The Foundation</u>	<u>Total</u>
Interest income	\$ -	\$ 27,024	\$ 27,024
Dividend income	-	88,984	88,984
Gain on sales of investments, net	-	81,372	81,372

	<u> </u>	<u> </u>	<u> </u>
Total investment income, net	<u>\$ -</u>	<u>\$ 72,432</u>	<u>\$ 72,432</u>

The fair value of the Organization's investments is measured based on levels of observable and reliable assumptions as follows:

Level 1: Valuations for assets and liabilities traded in active exchange markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2: Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or comparable assets or liabilities.

Level 3: Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models, and similar techniques, and not based on market exchange, dealer, or broker traded transactions. These valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.
