

In 2015,

We will serve..... More Than

With
More
Than **100,000**
Appointments

More Than **15,000**
Patients

And

We will provide

\$20 million

in SERVICES to patients all
over Southern California.....

Providence is the **only** comprehensive, Center of Excellence delivering quality speech and hearing services in Orange County AND the only agency of its kind willing to accept patients with Medi-Cal and other government-sponsored insurance.

Of the \$20 million,
\$8 million is
Unfunded

But

Here's How
YOU
Can Help.....

2015 New and Innovative Programs

- Open the **Orange County Cochlear Implant Institute™** – a multi-disciplinary group of experts that consists of an Audiologist, Otologist, Psychologist, Speech-Language Pathologist, and Social Worker – **the first of its kind with a pediatric emphasis in Orange County**
- Expand the **Orange County Fall Prevention and Balance Center** – with the only NASA designed Neuro Kinetics rotary chair in our community
- Partner with accomplished corporate and university researchers to attain new and groundbreaking data in the field, and create **Federal Grant Funding** opportunities
- Establish a **Physicians Advisory Council** to better brand Providence as a Center of Excellence, help guide the research strategy for the organization and create pathways for beta testing new devices and technology
- Increase donor commitments to our **endowment held at the Orange County Community Foundation**, ensuring organizational **sustainability for another 50 years!**
